Dear COL Greenia:

Thank you for your recent letter regarding the shortfalls in the funding requested by the Administration to support the Civil Air Patrol. I am pleased to inform you that I recommended and the Appropriations Committee approved the Department of Defense Appropriations Bill last week, which includes an additional \$2 million for the Civil Air Patrol to meet the shortfall that you highlighted. The bill must still pass the full Senate and Conference with the House of Representatives before it can be considered by the President, but I am confident we are on the right path.

I appreciate that you brought this matter to my attention. I wish you and the Civil Air Patrol much success.

Aloha,
